INVITATION AS PART OF YOUR NEWSLETTER/MAILING

On 13 and 14 May the third edition of the RailFreight Summit will take place, this time in Poznan. NAME SPEAKER is speaking at the event about TOPIC.

Due to its geographic importance, the region in and around Poland is developing in rapid pace. A network of hubs is in the making, connecting countries such as Poland, Czech Republic and Slovakia to Western Europe, China, the Baltic states and the Adriatic coast. What is important to build a freight hub and what does it entail to be a successful hub?
